Family Weekend Fun!

Welcome to the Delta Lodge at Kananaskis! To enhance your stay, the Guest Activities Department has developed a weekend jam-packed with fantastic activities that are enjoyable for all ages! Check out the details regarding several of the exciting activities happening this month!

Please call our Guest Activities Desk (403-591-6838) or check out our bulletin board located in the Lodge Lobby to confirm the locations of each activity.

Please arrive on time for each activity as they are complimentary and on a "first come, first serve" basis. This also ensures that you receive all instructions and have enough time to complete your project! Children under the age of 12 must be accompanied by an adult.

Complimentary Naturalist Led Activities:

Join Kananaskis Outfitters for informative, interesting and picturesque nature-focused programs.

These programs run on Saturdays only (times are indicated inside this brochure). Due to limited participation, it is recommended to "sign up" at the Guest Activities Desk between 9AM & 12PM on Saturday.

GPS Adventure

During this 1-hour adventure, you will get to navigate through the beautiful backyard of Kananaskis Country.

Troll Falls Guided Hike

Troll Falls, known for its splendid waterfall, is a beautiful 2-hour hike. Due to the duration and skill level of the hike, children must be at least 5 years of age to participate.

Dragon Gloves

Winter always means a missing glove or two. This project brings those mittens together with a look that will slay your child's friends.

Stained Glass Votive

Come and join us in decorating a stained glass votive for your very own home.

Silly Slime

If you like being silly then you'll definitely enjoy making some of this silly slime!

Campfire Pies

Come to the Fireweed Grill Patio to make a memorable, delicious treat.

Check out the bulletin boards located around the Village for details on other great activities being offered this month!

Have fun on your own... in our newest facility!

Children's Creative Centre

Located in the Mount Kidd Manor, the Children's Creative Centre is designed to provide your family with hours of entertainment. Children will enjoy exploring our Kananaskis Tree House, Art Park, Puppet Theater, Games Pond, Flower Planting Fun Station and Magnetic Hill! Families of all ages will also enjoy sitting on our super comfy sofas to watch a movie from our wide DVD selection, or sitting at our large tables to play one of our unique board games.

This is an unsupervised facility; therefore, we ask that all children ages 12 and under are accompanied by an adult at all times.

For your convenience, the Children's Creative Centre can be accessed by using your Guest Room Key and is open daily from 7AM-9PM.

A "Family Movie Feature" is shown every Friday evening (with the exception of Holiday weekends) from 8PM—10PM; therefore, playtime will finish at 8PM on these evening.

Don't forget to make time during your visit to check out all of the fun!
